Dr. John Hutcheson
Vice President for Academic Affairs
Dalton State College
213 North College Drive
Dalton, Georgia 30720

Dear Dr. ~~Hutcheson~~:

The Office of Academics and Fiscal Affairs received Dalton State College's request to establish a Division of Social Work.

We understand that the establishment of the Division of Social Work was proposed in order to strengthen the framework for Dalton State College's existing Bachelor of Social Work degree and to respond to accreditation concerns. Based on your request, we understand that the proposed division will report to the Vice President for Academic Affairs, similar to existing divisions and departments of the institution.

Administrative approval to establish the new unit, Division of Social Work, is effective immediately.

Sincerely,

Daniel S. Papp
Senior Vice Chancellor
For Academics and Fiscal Affairs
