

CAMPUS VISITATION GUIDELINES

We are thrilled that you are interested in visiting Dalton State! We believe once you step foot on our beautiful campus, you will see all there is to love about Roadrunner Nation. As we resume on-campus tours again, the health and safety of our guests and campus community are our top priority. Please read the information below carefully before your campus visit.

Tour Registration

Please be sure to register for a campus tour before your campus arrival, as we will not be able to accommodate walk-ins during this time. Tours will be offered Monday - Thursday each week, and will be limited to two prospective students per tour. Each prospective student can bring no more than two guests to allow for social distancing. If you are unable to attend your scheduled tour, please cancel your visit to allow space for other guests. In this event, we hope that you will reschedule for another time.

Health Screening

Before arriving on campus, we ask that each person visiting complete a COVID-19 symptom assessment. Please do not visit campus if you have a fever, steady cough, are not feeling well- or have been exposed to someone with COVID-19.

During Your Visit

Please note facial coverings are required for the entire duration of your visit. The tour will begin in Westcott Hall. This building is located directly behind the flagpoles with visitor parking available.

WE CAN'T WAIT TO SEE YOU ON CAMPUS!
