Dalton, GA 30720

Dear Dr. Schwenn:

Thank you for your letter of January 26, 2011, notifying the Commission on Colleges that Dalton State College will become an affiliate institution to the University System of Georgia's eCore program, beginning with the summer semester 2011. The eCore courses allow University System of Georgia students the opportunity to complete their first two years of their collegiate careers in an online environment.

Since the Institution is approved for the electronic delivery of 50% or more of a program's credits, we accept the notification and require no additional information.

Best regards,

Belle S. Wheelan, Ph.D.
President
