Dr. Belle S. Wheelan  
President  
Commission on Colleges  
1866 Southern Lane  
Decatur, GA 30033

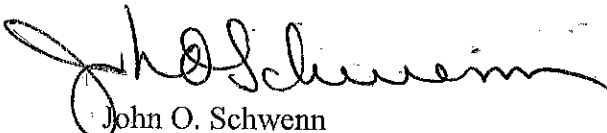

Dear Dr. Wheelan:

Please accept this letter as formal notification to the Commission on Colleges that Dalton State College will be offering four general education classes at Bagley Middle School in Murray County beginning in Spring 2013. As part of its growth plan, the College is exploring options in offering additional courses in its service area in pursuit of its mission to provide access to quality higher education in Northwest Georgia.

If enrollment at the site increases and necessitates additional classes or a degree program, the College may decide to open an additional Off-Site Instructional Campus in Murray County. In such a case, Dalton State will prepare a Substantive Change Prospectus and notify the Commission as required.

Thank you.

Sincerely,

John O. Schwenn  
President
