

February 28, 2018

Dr. Margaret Venable
President
Dalton State College
152 Westcott Administration Building
650 College Drive
Dalton, GA 30720

Dear Dr. Venable:

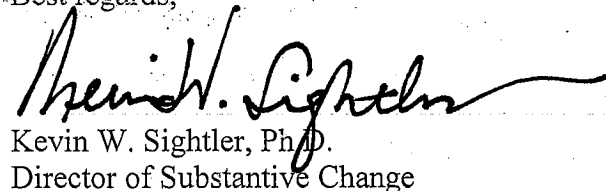

Thank you for the letter of November 7, 2017, notifying SACSCOC of your intention to change the name of the Gilmer Center off-campus instructional site to the Gilmer Campus off-campus instructional site, effective fall 2017. The Gilmer site will continue to function as an off-campus instructional site with a new name. The new name and address for the site is:

Gilmer Campus
103 Dalton Street
Ellijah, GA 30540

The name change is for administrative purposes only. Gilmer County would like to increase the visibility of the site and the College would like to avoid confusion among students who sometimes register for classes at the site without realizing that the site is not in Dalton.

We acknowledge the information and will add it to the file.

Best regards,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
