Dr. Kevin Sightler
Director of Substantive Change
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Sightler:

I am writing to notify the Commission on Colleges of the discovery of an unreported substantive change related to Off-Campus Instructional Sites. Due to the number of courses being offered at Dalton High School, a local high school, during the current academic year, students were able to enroll in and complete more than 25% (but less than 50%) of the credits required to earn the Associate of Arts in General Studies, Associate of Science in General Studies, or the Associate of Science in Criminal Justice. This is not advertised, but the credits could be earned and applied to one of these degrees.

The name of the site is "Dalton High School," and the facility is located at 1500 Manly Street, Dalton, GA, 30720. The original implementation date would have been January 1, 2022, when it would have been clear that students would be able to earn at least 25% of the required credits for the above listed degrees.

Please let me know if any further information is needed. Thank you for your consideration.

Sincerely,

Nicholas Gewecke, Ph.D.
Director of Institutional Effectiveness and Assessment
