

Applicant Name _____

Dalton State College
Associate of Applied Science Degree in Respiratory Therapy Technology
Essay Form

Instructions: This essay is required of all applicants to the Respiratory Therapy Program. The essay must be handwritten in the student's own handwriting and must be limited to 300 words. The essay will be reviewed by the program selection committee, with content considered the most important component for the admission selection process. However, neatness, spelling, grammar, and punctuation will all count in scoring the essay. Applicants should express their thoughts clearly and concisely in order to meet the essay's length requirement. *Note: If you prefer, you may use lined paper and attach your essay to this form.*
