

Program Pathway – Bachelor of Science Psychology

This map is a term-by-term sample course schedule. Highlighted courses have been identified as "key courses." Students are strongly advised to make every effort to pass these courses on the first attempt with a "C" or better in order to be successful in this program. The milestones listed below each year are designed to keep you on course to graduate in four years. Missing milestones could prevent you from being eligible for a particular program or could result in a delay in graduation. The Program Pathway serves as a general guideline to help you build a full schedule each term.

First Year – Term 1			
Course Number	Course Title	Credits	Pre-requisites
ENGL 1101*	English Composition I	3	Minimum SAT/ACT/Accuplacer scores
MATH 1101 or MATH 1111	Mathematical Modeling College Algebra	3	Minimum SAT/ACT/Accuplacer scores
